

**MARY WISE**

FILLED PINEAPPLE COOKIES spell hospitality to young 'uns and oldsters alike. Have them ready for the drop-in caller of any age.

**Filled Sweet Is Cookie Delight**

A full cookie jar spells homey hospitality when guests drop in for coffee. It's a sure-fire winner with the children when they pop in after a swim. Fortunate is the homemaker who can keep hers filled especially if what she puts there is distinctive eating.

**PINEAPPLE FILLED COOKIES**

- 1/2 cup shortening
- 1/2 cup sugar
- 2 eggs
- 1 tsp. vanilla
- 1 tsp. grated lemon peel
- 2 cups sifted flour
- 1 1/2 tsp. baking powder
- 1/2 tsp. salt

**Pineapple Filling**

Cream shortening and sugar until light and fluffy. Add eggs and continue beating. Stir in vanilla and lemon peel.

Sift flour, baking powder and salt together. Stir into creamed mixture. Chill dough 2 to 4 hours. Roll out on lightly floured board to 1/4-inch thickness. Cut into 2 1/2-inch rounds.

Place half the circles on ungreased baking sheet. In center of each, place teaspoon of pineapple filling, spreading almost to edges.

Cut slit in remaining halves and place over filled rounds, sealing edges with tines of fork. Bake at 400 degrees 8 to 10 minutes.

**PINEAPPLE FILLING**

- 1/2 cup sugar
- 1 lbs. cornstarch
- 1 cup crushed pineapple (undrained)

Combine ingredients and cook until thick and clear. Cool before spreading on cookies.

**AMONG MY SOUVENIRS**

This dessert recipe does not begin or end with convenience foods but the result is scrumptious eating and worth the preparation involved.

**COCONUT AND PEACH PIE**

- 1/2 cup sugar
- 1/2 cup sifted flour
- 1/4 tsp. salt
- 3 cups milk
- 1 cup flaked coconut
- 2 egg yolks, slightly beaten
- 2 tsp. vanilla
- 1 lbs. butter
- 1 1/2 cups sliced fresh peaches
- 1 vanilla wafer pie shell
- 2 egg whites, unbeaten
- 1/2 cup sugar
- 1/4 tsp. salt
- 3 tbs. water
- 1/2 tsp. vanilla
- 1/2 cup flaked coconut

Make the pie shell as follows: mix together 1/2 cup melted butter and 1/4-cups fine vanilla wafer crumbs. Press firmly on bottom and sides of 9-inch pie shell. Chill thoroughly in refrigerator.

Combine 1/2 cup sugar, flour and salt in top of double boiler. Add milk gradually, stirring until smooth. Add 1 cup coconut. Cook over boiling water for 15 minutes, stirring constantly.

Mix a small amount of this with egg yolks; return to double boiler and cook 2 minutes longer. Remove from heat; add vanilla and butter and chill until cold.

Put in pie shell as final combination is made just before serving, having put half the peaches in the pie shell first.

Place egg whites, sugar, salt and water in top of double boiler and beat with rotary beater until thoroughly mixed. Place over rapidly boiling water and beat 1 minute. Remove from heat and

**Hot Tamale! A New Salad**

Veer away from everyday salads and go offbeat with Codfish-Avocado Salad. It's as refreshing as a Caribbean breeze and especially delightful accompanied by Mexican dishes such as enchiladas or chile con carne.

- 1/2 lb. salt codfish OR 1 lb. frozen codfish
- 1 medium size Spanish or red onion
- 1 large tomato
- 1 California avocado
- 1/4 cup olive oil
- 2 tbs. lime juice
- Coarsely-ground black pepper

Freshen salt codfish according to package directions or poach frozen codfish in salted water until barely tender.

Drain fish; shred or break into chunks and arrange on serving platter. Peel and cut onion into thinnest slices and place on fish. Peel tomato and cut into wedges.

Peel and slice avocado into thin lengthwise slices. Arrange tomato and avocado on platter with fish. Combine olive oil and lime juice and shake well.

Pour over salad ingredients. Sprinkle generously with pepper. Cover with aluminum foil or waxed paper and refrigerate until very cold. Serve cold.

**Sophisticated Berries**

Spoon sugared berries of any kind or in combination into pretty serving dishes; top with a generous spoonful of dairy sour cream followed by a dash of nutmeg. Offer with fancy salted crackers.

Everybody's hamburger will be equally sized if you measure meat with an ice cream scoop.

Put in pie shell as final combination is made just before serving, having put half the peaches in the pie shell first.

Place egg whites, sugar, salt and water in top of double boiler and beat with rotary beater until thoroughly mixed. Place over rapidly boiling water and beat 1 minute. Remove from heat and
